

## Quality Policy

The Directors and staff of Wild Company are committed to the maintenance and improvement of the services offered to our clients.

It is the organisational goal to provide products and services that meet the expectations and needs of our customers. The company shall achieve this commitment through innovation, training of staff and the use of modern technology and equipment, to be a leader in our field. As a minimum we shall meet all statutory and legal requirements.

Wild Company have an obligation to health, safety and environment impacts, these are documented in separate policies.

Adherence to this policy with the achievement of continuous improvement involves not only management, but every employee of the company. The objectives are achieved through the implementation of Quality Procedures of which the Quality Assurance Manual gives an overview.

Quality will be reviewed regularly and measurable objectives will be set in Production Meetings.
